## **PRESS RELEASE**

### **For Immediate Attention**

# **TEAC INTRODUCES AFFORDABLE SR-2DAB TABLE-TOP DAB/FM RADIO WITH iPod DOCK**

TEAC has announced the introduction of the SR-2DAB, a good-looking, neatly functioned table top high-fidelity radio offering iPod and iPhone dock replay and FM/DAB/RDS broadcast for around just £150.

Housed in an acoustically sound wooden cabinet, with a black leatherette finish and a large striking blue LCD display with 3-step dimmer and light-off, the SR-2DAB boasts a number of facilities not normally found in products at this price. There's a preset station memory, wake to either iPod/iPhone or tuner, digital clock, calendar, dual-alarm, snooze, sleep timer and a preset equalizer for rock, pop, classical, jazz, bass or normal listening.

Complete with headphone jack, independent speaker chambers with bass reflex-port, remote control and iPod Dock adapters, the SR-2DAB offers excellent value and outstanding performance in a smart table-top system

The SR-2DAB is available now, priced at around £150.00 from TEAC appointed retailers. For details of local retailers contact TEAC on 0845 130 2511

**About TEAC:** TEAC has changed the lives of many with a series of innovative products initially based upon audio-video relay, recording and storage technologies. Since the original and highly acclaimed Reference 500 micro system arrived in 1995, TEAC's Reference Series products have been designed to deliver high-quality audio in compact, convenient and affordable packages. TEAC's experience, ingenuity and unswerving belief in the value of high-quality sound are what keep its component systems ahead of the pack. With a commitment to offering all the latest technology options to its customers, TEAC continues to lead the field in innovative quality home entertainment products.
