PRESS RELEASE

For Immediate Attention

TEAC INTRODUCES CR-H258i DAB/AM/FM CD RECEIVER

TEAC has announced the introduction of the CR-H258i, a neat, space-saving iPod Docking CD Micro Component Receiver with USB/SD/iPod interface. The CR-H258i offers playback of almost any type of music media – CD, CD-R/RW, MP3 disc, SD card or USB memory files. Tri-band digital tuner and 25W + 25W amplifier delivers a spectacular yet succinct sound quality. Video outputs in both S-video and composite video from an *iPod docking station complete the audio-visual experience – which comes attractively priced at just £250.00.

High quality DAB/AM/FM RDS radio reception, with preset station memory, clock and timer function is also included in the CR-H258i Receiver and a feature packed remote control unit (which controls iPod functions) completes this handsome package.
