Meridian Featured in “Date Night” by Twentieth Century Fox

Meridian has hit the big screen with its award-winning DSP7200 Digital Active Loudspeakers, Reference 800 DVD Player and G68 Surround Controller – all featured in the movie “Date Night” by Twentieth Century Fox.

Meridian has also had product in the following feature films: “Jumper”, “Bride Wars”, “Alvin & The Chipmunks 2-The Squeakquel”, “Cop Out”, “Percy Jackson and the Olympians-The Lightning Thief” and “Our Family Wedding”.

About the Date Night:

Action-comedy maestro Shawn Levy, the director of the blockbuster “Night at the Museum” franchise, teams up with two of the comedy world’s biggest talents, Steve Carell (“The 40 Year Virgin,” “Get Smart”) and Tina Fey (“Baby Mama,” “30 Rock,” “SNL”) for an adventure that turns a run-of-the mill married couple’s date upside down—way upside down, in DATE NIGHT.

About Meridian Audio Limited

Meridian is based near Cambridge, UK, and was founded in 1977 by Bob Stuart and Allen Boothroyd. With over 30 years’ history of innovation and development of uncompromised consumer home entertainment systems offering exceptional performance, this award-winning company is widely recognised as a world leader in high-quality audio and video reproduction. Meridian developed the first audiophile CD player, the world’s first consumer digital surround controller, and the MLP lossless packing system included in Blu-ray Disc. The company’s optical disc players, DSP-based loudspeakers, video projectors, and scalars are unique in the industry, maintaining a super-quality digital signal throughout the path from the studio to the home, using advanced digital signal processing to deliver both a sweet, natural sound and smooth, crystal-sharp images with true cinematic realism. In late 2008, Meridian acquired leading networked media server developer Sooloos, and today the Meridian Sooloos Digital Media System offers a unique combination of superb digital audio quality with the world’s most innovative, flexible and intuitive touch-screen-based home entertainment system.
