PRESS RELEASE

For Immediate Attention

TEAC INTRODUCES THE T-R650 DAB/FM/AM STEREO TUNER

Offers Quality Broadcast Sound and a Full Feature Range
at an Affordable Price

The TEAC T-R650DAB is a slimline DAB/FM/AM Tuner with RDS for FM. It features manual and automatic tuning, a good selection of presets plus an auto-preset function, a large, clear, illuminated display, and a digital clock with timer (with daily or once settings) and sleep functions. A good quality Quartz PLL synthesized tuning system matched to carefully selected components provides the T-R650 with a crisp, low distortion sound quality that demonstrates the open and vivid sound of FM and DAB to their best advantage. In terms of features, the T-R650 has everything the user is ever likely to need and more than just about any rival at the attractive price.

T-R650DAB FM/AM Stereo Tuner - Product Description Summary

About TEAC: TEAC has changed the lives of many with a series of innovative products initially based upon audio-video relay, recording and storage technologies. Since the original and highly acclaimed Reference 500 micro system arrived in 1995, TEAC's Reference Series products have been designed to deliver high-quality audio in compact, convenient and affordable packages. TEAC's experience, ingenuity and unswerving belief in the value of high-quality sound are what keep its component systems ahead of the pack. With a commitment to offering all the latest technology options to its customers, TEAC continues to lead the field in innovative quality home entertainment products.
